ASTRO BOT

PlayStation

ABL Innovation Co., Ltd. introduces **emo-T Astro Bot**. A highly detailed, poseable electronic Astro Bot figure with game-like animated facial expressions. Fully capturing the playful personality of Astro Bot with plenty of deep PS5 game references and distinctive sound effects.

Designed with the innovative use of NFC Technology, Touch and Motion Sensors. **emo-T Techo:Logi** creates an Emotive and Emotional experience through Interactive Play, OLED Screen Animation and Sound Synchronization.

Enjoy the Astro Bot experience IRL, outside and beyond the video game of the year!

ACTUAL SIZE 11.8cm

**

Additional NFC Cards to be Released Periodically in the Near Future

**Proprietary NFC cards will activate a different game related animation sequence when tapped near Astro Bot's head antenna.

About our Company

Our company was founded with the vision of bringing new and exciting products to the world market.

Products that encourage imagination and creativity and products that become good company for long.

Our commitment to excellence has earned us a reputation as a trusted and reliable partner in the

Toy industry for nearly 30 years. We are constantly pushing the boundaries of design and technology

to create products that are not only fun and entertaining but also educational and pragmatic.

At ABL Innovation, we believe that plaything is not only an essential part of childhood and beyond, but

also, the source of company and learning. We are committed to providing safe products that promote

company, learning, exploration, and discovery.

Besides our own brand items, we are also working with reputable branded toy companies on an

OEM or ODM basis to provide well-known toys to the worldwide market. Several times, those very

toy collaborations have won Best Toy of the Year in Euro countries.

Currently, our R&D division is focusing on the development of an all-new concept project called

“Emo-T” Technology which creates an Emotive and Emotional experience through Interactive Play,

OLED Screen Animation and Sound Synchronization. In short, our “Emo-T” Technology can bring

life to the playthings such as Astro Bot in the PlayStation.

We hope we can have the opportunity to obtain your license to enrich our Emo-T technology

development. We wish to create a series of animated Astro Bot in life.

Photos of items we did in the past as below for your reference of our ability in Toy designs.

About our manufacturer

Quanfeng Toys (Shenzhen) Co., Ltd. is our partnership manufacturer in Pingdong Community, Pingdi Street, Longgang District, Shenzhen, China. covers an area of about 4800M, with a total construction area of 11,000 M.

This factory has been certified since 2012, specializes in the production of electronic plastic toys and has been adhering to "Quality First, Delivery Prompt" as their business policy and constantly strengthening its management. They work very closely with us particularly in the area of electronic toy research and development.

This factory has passed the ISO9001-2015 Audit Certificate, ICTI Audit Certificate, GSV Audit Certificate, Disney Audit Certificate and Universal Audit Certificate, etc as attached below for your reference.

The main operation departments in this factory include in-house tooling making, injection, assembling, packaging and a reliable and stable electronic processing plant and spray- painting factory nearby.

With steady management staff of 30 people and about 150 basic assembling operators, their manufacturing manpower is quite flexible depending on the production seasons requirement.

We have our engineers and QC staffs plus our supervisor constantly staying in this factory to supervise daily production and QC monitoring.

WAIVER APPROVAL

Issued Date: September 18, 2023

Manufacturer Code: L15425

Manufacturer Name: Quan Feng Toys (Shenzhen) Co., Ltd.

Manufacturer Address: (No. 2 Factory) No. 5, Xihutang Street, Pingdiang Community, Pingdi Street, Longgang District, Shenzhen, Guangdong, 518117, China

Approval Expiration Date: September 18, 2024

Dear Quan Feng Toys (Shenzhen) Co., Ltd.:

NBCUniversal (NBCU) and its employees have created an asset of incalculable value – the company's worldwide reputation for integrity and enterprises of responsible business practices. NBCU's quest for competitive excellence begins and ends with its unyielding commitment to ethical conduct.

We also expect and require ethical conduct from all of our suppliers. Your strong commitment in this regard is a requirement for being an NBCU supplier and is the foundation for our mutually beneficial business relationship.

I am pleased to inform you that as of today, September 18, 2023, you have been approved for a one (1) year factory audit waiver based upon review of current and independent, full-scope peer factory audit reports. Please be advised this approval letter is not applicable to Universal Destinations & Experiences. We appreciate your demonstrated commitment to social responsibility and encourage you to continue your efforts in this regard.

Please be advised that this factory audit waiver is valid for twelve (12) months, at which point this waiver will expire (September 18, 2024). During this period, NBCU reserves the right to conduct an on-site audit or spot check if required due to possible changes in business needs or the status of your factory. Upon the expiration of the approval period granted herein, the factory will need to be visited and approved by NBCU in order to maintain its approved supplier status and continue production of NBCU-branded product.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Mike Times
Vice President, Global Brand Services
